# Friend's Profile - Public Albums - Share An Album With This Friend

The screenshot shows a web browser window with the URL <http://www.outmywindow.com>. The page title is "Friend's Profile - Public Albums - Share An Album With This Friend". The browser's address bar shows "outmywindow" and a search bar with "Google". The page header includes "outmywindow" and navigation links: "Search...", "Welcome, [username]", "Settings", and "Log Out".

The main content area features a navigation bar with "feed", "explore", "friends", and "me". Below this, there are filters: "filter by: All Albums (1,500)" and "sort by: Recent".

The profile section for "bilbo b." includes a silhouette icon, a bio: "Professional adventure seeker, dragon slayer, and pretty much the coolest hobbit ever. I like long walks. Really long walks. The kind that entail epic adventures.", and a "friends" button.

The album grid shows several album cards. Each card has a title, a privacy icon (lock or globe), and a photo count. Annotations highlight specific features:

- Toggle List View:** A blue callout box pointing to view toggle icons in the top right corner, stating: "Users can toggle between a clean grid or a scattered mosaic. This selection persists through their session until the user changes it. This only applies to profile pages and album pages."
- Click to Select:** A blue callout box pointing to a checkbox on an album card, stating: "Selecting or unselecting a checkbox shares or unshares that album with this user."
- Click Thru to Album:** A blue callout box pointing to an album title in a list, stating: "Clicking on an album title takes you to that album."

The "Shared Albums (0)" list contains three entries, each with a title, a lock icon, and "me + X others". A "close" button is at the bottom of the list.

The footer contains the text: "™ & © Warner Bros. Entertainment Inc. All rights reserved" and navigation links: "feed", "explore", "friends", "me", "settings", "terms of use", "privacy policy", "support", and "feedback".

# Friend's Profile - Collaborative Albums - Manage Collaborators

The screenshot shows a web browser window with the URL <http://www.outmywindow.com>. The page title is "outmywindow". The navigation bar includes "feed", "explore", "friends", and "me". The user is logged in as "Welcome, [username]" with links for "Settings" and "Log Out".

The main content area displays a friend's profile for "bilbo b." with a bio: "Professional adventure seeker, dragon slayer, and pretty much the coolest hobbit ever. I like long walks. Really long walks. The kind that entail epic adventures." Below the profile is a section for collaborative albums, filtered by "Collaborative (500)" and sorted by "Recent".

Callouts highlight key features:

- Filter Dropdown:** "These are albums that you and this user collaborate on together." (points to the filter dropdown)
- Click Thru to Profile:** "Clicking on a user pic or username takes you to that user's profile." (points to a collaborator's profile pic)
- Add Collaborators:** "Clicking the + sign opens up the Album Info modal." (points to the + sign in the album header)
- Album Control:** "Easily remove users from an album." (points to the "remove from album" button in the collaborator list)

The footer contains the text: "™ & © Warner Bros. Entertainment Inc. All rights reserved" and navigation links: "feed", "explore", "friends", "me", "settings", "terms of use", "privacy policy", "support", "feedback".

# Friend's Album - Collaborative Album

The screenshot displays the 'outmywindow' website interface. At the top, there is a browser window with the URL 'http://www.outmywindow.com' and a search bar. The website header includes the 'outmywindow' logo, a search bar, and user options: 'Welcome, [username]', 'Settings', and 'Log Out'. Below the header is a navigation bar with tabs for 'feed', 'explore', 'friends', and 'me'. The main content area shows a user profile for 'bilbo b.' with a lock icon and the album title 'Bilbo's Unexpected Journey (16 photos)'. The album has 38 collaborators and includes buttons for '+ Add Photos', 'Album Info', and 'Album Actions'. A grid of photo placeholders is visible, each with a heart icon (323) and a comment icon (11). A 'Collaborators (38)' modal is open, listing users: 'joshua m. you can add photos', 'ty w.', 'joanna s.', and 'gretta g.'. Three blue callout boxes provide instructions: 'Click Thru to Profile' (pointing to a user profile icon), 'Clicking on a user pic or username takes you to that user's profile.' (pointing to the same icon), and 'Launches the Add Photos modal.' (pointing to the '+ Add Photos' button). The footer contains copyright information: '™ & © Warner Bros. Entertainment Inc. All rights reserved' and a secondary navigation bar with links for 'feed', 'explore', 'friends', 'me', 'settings', 'terms of use', 'privacy policy', 'support', and 'feedback'.

**Move Down**  
A maximized photo's bottom edge pushes the Comments and Likes functionality down so that they are not covered.

**Caption Widens**  
Only the caption container widens when a photo is maximized. This allows the geo tag and the date to remain the same size.

This is an awesome caption to inspire users to comment on this photo! Yay for captions!!
